

# Teton School District Internet/Email Access Agreement Staff

## Application for Access

Name \_\_\_\_\_

I agree:

- to limit use of school Internet/Email access to educational and research objectives consistent with the educational objectives of District 401.
- to be considerate of other users on the network and to use appropriate language for school situations.
- to supervise student use of computers, network, and Internet. I will protect the equipment against theft and vandalism and make sure student use is educationally appropriate.
- to not access or view pornographic sites. I understand that such actions may result in termination of employment.
- not to knowingly degrade or disrupt network services or equipment, as such activity is a crime under state and federal law; including, but not limited to, tampering with computer hardware or software, downloading unauthorized software, vandalizing data, invoking computer viruses, attempting to gain restricted access, or violating copyright laws.
- to immediately report any problems or breeches of the responsibilities to the responsible teacher or building technology supervisor.

I agree to abide by the Internet/Email Network Access policies of Teton County School District as described above. I understand that any infraction of rules and policies will result in suspension of Internet/Email access and possible disciplinary action.
